Foreword

Dear Alumnus:

Notwithstanding the fact that the Alumnus is a Stout publication the administration has given me an opportunity to have an Alumni Directory appear in this issue.

Numerous calls have come to me during the year for names and addresses of graduates in particular localities. To supply this information, the following directory has been compiled from the Alumnus mailing list used at present in the Stout office. I hope it will prove to be interesting as well as valuable Alumnus material.

Addresses are constantly changing and I shall appreciate having this new information returned to me at your earliest convenience. Your co-operation with me will help to build a stronger Alumni Association.

Sincerely "for Stout,"

Sarah Ohnstad Catura ('1914)

Secy-Treas. Stout Alumni Association

Mrs. E. B. Catura
1011 Broadway
Menomonie, Wisconsin

My address after September 1, 1929, will be:
